**ADVISORY TO ALL TEAMS**

WITH THE EXPECTED BAD WEATHER OVER THE NEXT FEW MONTHS IT IS VERY IMPORTANT TO GIVE SPECIAL ATTENTION TO THE CONDITION OF THE FIELD **BEFORE YOU START PLAYING!!**

ALL **MUNICIPALITIES** ARE CONCERNED THAT THEIR GUIDE- LINES ARE STRICTLY ADHERED TO. THE PROTOCOL IS AS FOLLOWS:

- 1) HOME FIELD MANAGER CALLS THE FIELD STATUS 24hr. LINE.
- 2) IF THE FIELD IS OPEN AND THE WEATHER FORECAST IS BAD, GET TO THE PARK EARLY AND CHECK THE FIELD.
- 3) THE PERSON WHO HAS THE FINAL SAY ON THE PLAYABILITY OF THE FIELD IS THE **HOME TEAM MANAGER – NOT THE REFEREE!**
- 4) IT IS **THE HOME TEAM THAT RUNS THE RISK OF LOSING THE PARK, SO IT IS THEIR CALL**
- 5) IF THE FIELD IS DEEMED UNPLAYABLE AT THE TIME OF THE GAME THE REFEREE IS **NOT** PAID.
- 6) STANDING WATER ON THE FIELD IS A KEY “NO PLAY” FACTOR

ALL TEAMS ARE CAUTIONED TO PROTECT THEIR PARK. IF YOU LOSE YOUR PLAYING SLOT YOU LOSE YOUR PLACE IN THE LEAGUE. IT HAS HAPPENED!!
